切割水晶的激情

A PASSION FOR CUT CRYSTAL

长久以来注重每个细节造就了我们以卓越品质建立起来的声誉。选择合作伙伴也需谨慎，这是一个不可避免的严格步骤。Volevatch开始寻求法国最好的晶体切割器来创造发光玻璃来替代浴室照明时，它对Benito Crystal Benito（一家法国晶体制造商）的作品特别感兴趣。在法国，Benito已连续三代创作了真正完美的艺术设计作品。

花瓶、香槟杯、香水瓶、珠宝盒、鱼子酱餐具、Benito水晶产品以其众多不同尺寸而闻名从最传统到最现代化的设计应有尽有总是以完美的专家技艺完成。Benito的手工艺品与Volevatch品牌的要求和价值完美一致。

*To have built a reputation based on excellence is the outcome of long-term efforts paying attention to every detail. Partners must also be chosen with care, a rigorous step that cannot be avoided. When the Volevatch brand began its search for the best French crystal cutter to create shining glass features to cover bathroom lighting, it was particularly intrigued by the work of the Benito that, in France, has created true works of art designed with perfection for 3 generations.*

*Vases, champagne glasses, perfume or jewellery boxes, caviar dishes, the Crystal Benito creations are distinguished by their huge variation in size, from the most traditional to the most modern, always finished with perfect expertise. An outstanding artisanal production in perfect harmony with the demands and values of the Volevatch brand.*
